"He was speaking to the nation, the world, and indeed to history...― Â May, 1940. Britain is at war. The horrors of blitzkrieg have seen one western European democracy after another fall in rapid succession to Nazi boot and shell. Invasion seems mere hours away. Â Just days after becoming Prime Minister, Winston Churchill must deal with this horrorâ€"as well as a skeptical King, a party plotting against him, and an unprepared public. Pen in hand and typist-secretary at the ready, how could he change the mood and shore up the will of a nervous people? A In this gripping day-by-day, often hour-by-hour account of how an often uncertain Churchill turned Britain around, the celebrated Bafta-winning writer Anthony McCarten exposes sides of the great man never seen before. He reveals how he practiced and re-wrote his key speeches, from â€~Blood, toil, tears and sweat' to â€~We shall fight on the beaches'; his consideration of a peace treaty with Nazi Germany, and his underappreciated role in the Dunkirk evacuation; and, above all, how 25 days helped make one man an icon. Â Using new archive material, McCarten reveals the crucial behind-the-scenes moments that changed the course of history. It's a scarierâ€"and more humanâ€"story than has ever been told. â€œMcCarten's pulse-pounding narrative transports the reader to those springtime weeks in 1940 when the fate of the world rested on the shoulders of Winston Churchill. Â A true story thrillingly told. Thoroughly researched and compulsively readable.―â€"Michael F.
